

# Job description

## Legal Counsel

We are looking for a Legal Counsel who likes to work in a flat-structured, driven, friendly and fun environment.

We handle very sensitive information and make sure to take all precautions we can to protect it as well as our relationships and obligations with our very prestigious client base and investors. This role, based in Stockholm, will lead all our legal efforts, in both internal or external matters. You will report to our COO and work very close with all C-level management, HR and CISO. We consider ourselves dynamic, pragmatic and quality-oriented – and like to see that you are too.

To be successful in this role you voice your opinions, you like to take responsibility for - and influence your own work as well as the company's effort as a whole. Leading always by example.

### Ideally experienced in:

- Worked as a Legal Counsel at a SaaS company
- Worked at a reputable law firm
- Minimum 8 years total experience
- Experience in international software SaaS agreements
- Experience in employment/consultancy agreements
- Extensive GDPR knowledge
- Start-up and/or scale-up environments

### Bonus experiences:

- HR processes
- ISO27001
- FinTech/Tech experience
