## CISO

We are looking for a **CISO** who likes to work in a flat-structured, tech driven, friendly and fun environment.

We handle very sensitive information and make sure to take all precautions we can to protect it. This role, based in Stockholm, will lead our efforts in Information and Data Security. Furthermore, this role will ensure we keep living up to our ISO27001 certification, GDPR compliance and internal security awareness. You will work very close with C-level management, Engineering and IT. We consider ourselves dynamic, pragmatic and quality-oriented – and like to see that you are too.

To be successful in this role you voice your opinions, you like to take responsibility for - and influence your own work as well as the company's effort as a whole. Leading always by example.

### Ideally experienced in:

- Worked as CISO or within IT security for at least 5 years.
- ISO27001, both acquiring and maintaining the certification.
- Internal/External audits.
- Incident management.
- Risk assessments and management.
- Vulnerability assessment.
- Enterprise security architecture.
- Start-up and/or scale-up environments.

### Bonus experiences:

- Worked as DPO / extensive GDPR knowledge.
- Penetration testing of applications and infrastructure.
